CITY OF ASHEBORO
Application for Conditional Use Permit

Basic Information

The granting of a Conditional Use Permit is a quasi-judicial process requiring sworn testimony. The testimony given should be directed at providing evidence that supports the application. Such evidence shall address the following four items. Failure to address these items will result in the delay or denial of your request.

1. That the use will not materially endanger the public health or safety if located where proposed and developed according to the plan as submitted and approved.
2. That the use meets all required conditions and specifications.
3. That the use will not substantially injure the value of adjoining or abutting property, or that the use is a public necessity, and
4. That the location and character of the use, if developed according to the plan as submitted and approved, will be in harmony with the area in which it is to be located and in general conformity with the plan of development of Asheboro and its environs.

The City Council shall make these general findings based upon substantial evidence contained in the proceedings. It shall be the responsibility of the applicant to present evidence in the form of testimony, exhibits, documents, models, plans, and the like to support the application for a Conditional Use Permit.

I have read and received a copy of the above information regarding the testimony and the evidence required at the public hearing for the Conditional Use Permit for which I have made an application. I understand my responsibilities in this matter. I have also received the opinion of the North Carolina Bar Association regarding legal representation in quasi-judicial proceedings.
